

DMS is committed to supporting further education and providing career opportunities that help Caymanians succeed, build our community and enhance the future growth of our islands.

DMS is pleased to offer educational grants for the 2017/2018 academic year and is currently accepting applications from Caymanians wishing to pursue studies leading to an undergraduate or technical/vocational degree in the areas of study relevant to **DMS** and its affiliates, which include an array of financial services and business disciplines. This is a fantastic opportunity to supplement your core educational funding and comes with the potential to intern with **DMS** during term holidays and gap year periods.
